SC State Historic Preservation Office Project Professionals List -- Historic Architects

This list is not comprehensive. Other people and firms may meet the Standards and/or be equally qualified for a particular job, position or project. Inclusion in the list is not an indication that an individual or firm is qualified for a specific job, position or project. Being on these lists should not be a prerequisite to apply for any specific job, position or project and meeting the "Professional Qualification Standards" should not be the sole cultural resource-related selection criteria for any job, position or project.
