South Carolina State Historic Preservation Office (SC SHPO)  
Review and Compliance Program  
October 2020

### **TABLE OF CONTENTS**

- 1. Archaeologist Job Opening at the SHPO**
- 2. Hard Copy vs. Electronic Project Review Submittals**
- 3. Due Diligence Reviews**
- 4. Revised Publications Available on SHPO Website**
- 5. GIS Data Submission Update**
- 6. October is Archaeology Month**
- 7. Subscription Information**

#### **1. Archaeologist Job Opening at the SHPO**

The SC Department of Archives and History is currently accepting applications for the SHPO Archaeologist position. Click here to access the [Archaeologist II – SC SHPO Job Posting](#) on the South Carolina state jobs website <https://careers.sc.gov/>. The job posting includes information about the job duties, qualifications, and application process. Please share this information with those who may be interested in applying.

#### **2. Hard Copy vs. Electronic Project Review Submittals**

While the SHPO continues to temporarily accept email submissions for projects in the Review and Compliance program due to the ongoing COVID-19 pandemic, staff are now working in the office and we encourage and welcome hard copy submittals to facilitate reviews. Compliance surveys should still be submitted following our Electronic Submission Requirements for [Planning Surveys and Review & Compliance Surveys](#). Updates will be posted at <https://scdah.sc.gov/historic-preservation/programs/review-compliance>.

#### **3. Due Diligence Reviews**

The SHPO will be temporarily pausing due diligence reviews beginning November 1 due to staffing constraints. If a due diligence review request is received please be aware that it will take significantly longer for staff to respond, if we elect to respond. As a reminder, the SHPO considers all requests without a federal or state agency identified in the project review submittal as due diligence.

As a reminder, to check for the presence of historic properties for a project location please use the Subscriber view of [SC ArchSite](#) to access information about archaeological sites and above-ground historic properties. SC ArchSite Subscriber view also provides users with the archaeological site file information. Please see [Historic Properties Research](#) for other sources of information, including the [SC Historic Properties Record](#), which provides information on National Register of Historic Places listings, and selected Statewide Survey site records.

#### 4. Revised Publications Available on SHPO Website

The SHPO recently revised the [Preservation Hotlines](#) series, the [Survey Manual: South Carolina Statewide Survey of Historic Properties](#) and [Research Resources](#) list to update weblinks and sources.

#### 5. GIS Data Submission Update

Beginning November 1, 2020 GIS shapefile data and/or requests for SHPO GIS shapefile templates should be temporarily submitted to [John Sylvest](#).

#### 6. October is Archaeology Month

The Archaeological Society of South Carolina (ASSC) has created an online Storymap on Avocational Archaeology in lieu of a poster for this year's virtual Archaeology Month. The Storymap and more is [available online](#).

#### 7. Subscription Information

- You are receiving this e-mail message because of past contact with the Review and Compliance Program at the South Carolina State Historic Preservation Office (SC SHPO).
- If you feel you have received this message in error or **wish to unsubscribe** from this mailing list, please e-mail Elizabeth Johnson at [ejohnson@scdah.sc.gov](mailto:ejohnson@scdah.sc.gov).
