SC State Historic Preservation Office Project Professionals List

This list is not comprehensive. Other people and firms may meet the Standards and/or be equally qualified for a particular job, position or project. Inclusion in the list is not an indication that an individual or firm is qualified for a specific job, position or project. Being on these lists should not be a prerequisite to apply for any specific job, position or project and meeting the "Professional Qualification Standards" should not be the sole cultural resource-related selection criteria for any job, position or project.

SC State Historic Preservation Office Project Professionals List

This list is not comprehensive. Other people and firms may meet the Standards and/or be equally qualified for a particular job, position or project. Inclusion in the list is not an indication that an individual or firm is qualified for a specific job, position or project. Being on these lists should not be a prerequisite to apply for any specific job, position or project and meeting the "Professional Qualification Standards" should not be the sole cultural resource-related selection criteria for any job, position or project.

Consultant / Company	Professional Qualification Standards Met	Other Professions (self-reported, not SHPO verified)	Products / Services Offered
