## Lincolnvile School

	141 West Broad Street Lincolnvile	1923-24		Civic/Social
--	--------------------------------------	---------	--	--------------

**Memo:** Originally a 4-teacher type, the school served grades 1-7. During this time an addition to the right of the original building was constructed. The school was brick-veneered in 1953. With school integration in 1969 the building ceased to be used as a school. In the 1970s, it was used as a community center. The building was then altered in 1981 for use as the Lincolnvile Town Hall/Community Center. A more substantial porch was added. The windows and doors have been replaced. The interior was altered--new ceiling, doors, and walls--but the general layout remains.  
State Historic Marker approved in 2008.
