Rosenwald School

Memo: On the card "Built Under Tuskegee" is listed where the budget year for construction is usually listed. This indicates that it was built before 1919-20.
 The photograph on the card shows a church adjacent to the school. According to a secondary source, the school was built in 1918 on land given by St. Peter's Baptist Church, which was adjacent to the school.
 In 1953, the school was expanded to include a consolidated school for African Americans and the name was changed to Richlex School.
